The Children's Drive through Christmas event was held December 5th We had 5 children participate. Santa made a surprise visit to help Sarah distribute the gift bags. Thank you to Sarah and everyone else who helped make this happen. Sarah also asked for ideas of how to change this program so that we can bring new life to the event, any ideas please contact Sarah or myself.

Had discussion about the possibility of holding a coat drive, Mary brought us some very useful information and had several people volunteer to form a committee to look into this further.

National and Department have both stated that there will be a dues increase within the next 2 years, no one likes when this happens, but we will discuss at a future meetings and come up with a plan.
